Subject: Inviting Students/Recent Graduates from Your University to Participate in "EWU Job Fair 2025: Graduates Navigating Career Paths."

Warm greetings from East West University (EWU)!

It is our pleasure to introduce the "EWU Job Fair 2025: Graduates Navigating Career Paths," a flagship event aimed at bridging the gap between academia and industry. The fair is scheduled for **15 November 2025 at the East West University Campus in Dhaka, from 10:00 AM to 6:00 PM.**

Along with East West University, the *EWU Job Fair 2025* is **co-sponsored by Radiant Pharmaceuticals Limited, BRAC Bank PLC, Mutual Trust Bank Limited (MTB), and United Commercial Bank Limited (UCB)**—organizations that share our vision of empowering graduates to successfully navigate the transition from education to employment.

The event will feature approximately 80 leading corporate employers from various sectors, providing a vibrant platform for interaction between prospective employers and graduating students.

The primary goal of this event is to enable meaningful engagement between graduating students and industry leaders through a dynamic and interactive environment.

This initiative will enable:

- Employers to connect with a pool of talented, career-ready graduates;
- Students to gain insights into evolving industry expectations and career opportunities;
- Both parties to collaborate on developing innovative and sustainable workforce solutions

We are pleased to invite the students and recent graduates of your university to participate in this important career progress event. Your students' presence will significantly enrich the fair and bolster inter-university collaboration in fostering employability and professional growth.

Please share the attached information with your student community. Should you require further clarification, please do not hesitate to contact us at ewujobfair2025@ewubd.edu or reach out to the undersigned directly.

We look forward to working together to make this event a successful one.

Thank you.
