Notice

This is for the information of all concerned that the three-day expo, themed "**Bangladesh to the World**," will be held from **January 28 to January 30, 2026**, at the Bangladesh-China Friendship Conference Centre. The event is being jointly organized by the ICT Division, Bangladesh Hi-Tech Park Authority and Bangladesh Computer Samity (BCS). It may be noted that **Chowdhury Sajadul Islam, Associate Professor & Chairman of the Department of CSE**, attended the relevant conference on January 12, 2026, at the ICT Building, Agargaon.

The seminar highlighted opportunities to exchange experiences and knowledge on the innovative capabilities of Bangladesh's youth, the advancement of the digital revolution, future technologies and the government's vision to lead in the global digital arena. Initiatives will be undertaken to attract investment in the country's IT industry by effectively showcasing the immense potential for developing promising digital products to both domestic and international entrepreneurs. We anticipate that several government organizations will participate in the fair and present their digital services and initiatives to the public.

In this context, interested teachers and students of European University of Bangladesh are encouraged to participate in the expo by showcasing innovative ICT-related projects, sharing new ideas and serving as knowledge partners. Interested participants should complete and submit the Google form at <https://forms.gle/HDMsMeUe1Ya7ft1X7> by January 18, 2026.
