Date: 23 June 2026

Subject: Attention to Alumni, EUB

This is for information to all **Alumni** of the European University of Bangladesh (EUB) that the Authority of EUB initiates an attempt to strengthen the relationship with former-students of EUB and thus to ensure a harmonious affiliation. This initiative may help to building lifelong professional networks, providing career development resources, offering mentorship and supporting the University through student recruitment and benevolence.

With a view to achieving the above goals, we need the basic information about our Alumni. The EUB Authority prepares a checklist for this purpose (attached). The attached format may be useful to fulfill our objectives.

Considering the above statement, all the Alumni are sincerely requested to fill-up the mentioned format as early as possible through the attached link (Link: <https://ccc.eub.edu.bd/alumni-registration>).

Your co-operations will be highly appreciated.

Thanking you in anticipation,

With best wishes,
